Dear Zwingli Family and Friends,

Because of all that is evolving around us, it is important that we stay connected during difficult times. It is also important to remember that God is with us. Through Christ, all things are possible. Times like this force us to safeguard and protect all those around us, including those most vulnerable: our elders, children, and ourselves. With that in mind, all current scheduled events at the church have been cancelled. Until Governor Wolf indicates that it is safe for us to re-congregate, our worship activities will take on a new form.

The church is locked and closed to all visitors. Please do not try to access the building, even if you have a key. Our cleaning staff have sanitized the building with a deep cleaning using antiviral products, we need to assure that it remains as pristine as possible for our re-entry.

Lisa Cinciripini will be in the office each week day to answer phones and maintain communication. We will be communicating with you frequently through emails and facebook. It is important that we stay connected. Please reach out to Lisa or the leadership of the church with any concerns or questions you may have.

Worship Services

All Sunday worship services will be provided online through Youtube. A link will be sent to you by email. Information regarding Holy Week Services and Easter Sunday will be communicated as soon as it is determined.

Prayer

"And pray in the Spirit on all occasions with all kinds of prayer and requests. With this in mind, be alert and always keep on praying for all the lord's people." Ephesians 6:18

Even though we may not be together physically, it is important for us to unite in prayer. Pray for those who are sick, grieving, alone and fearful during anxious times. Pray for our community, leaders, and government to make decisions to keep us safe. Pray that we will know God's presence in all that we do and find our way through these uncertain times. Prayer concerns should be emailed to the church office (office@zwingli.org)

Giving

Just like Jesus faced many challenges in the wilderness, we too are dealing with many challenges as we deal with the daily impact of the corona virus. We understand that finances may be a challenge for you during this time. But it is also important for our ministry that you continue your faithful giving in order that we may continue to serve our Lord by supporting our ministries at Zwingli. Weekly offerings can be mailed to the church or can be given electronically through our electronic fund transfer or utilizing the **DONATE** link on our webpage.

We are creating new ways to connect. Please watch for details as programs develop.

Easter will soon be upon us. Let us focus on the resurrection and the joy of new life!

Yours in Christ, Zwingli UCC Pastors and Elders
