Dear Church Family,

I am writing to share with you that the Elders have granted me a leave of absence so that I can focus my attention on the health and well-being of my family back home in Ohio.

Over the past several months, I have been traveling back and forth between Pennsylvania and Ohio quite a bit. While I am grateful to be able to be present with my family, the pace and emotional toll of that travel have been challenging. In the months ahead, that need will increase as my brother prepares for and undergoes multiple surgeries.

My leave of absence will begin October 5, and I plan to return to Zwingli on February 1.

I am grateful for this time away—not simply as time to step back, but as an opportunity to rest, be present with my family, and attend to my own spiritual and emotional well-being. I hope to build into these months space for rest and renewal, prayer and reflection, so that when I return, I can do so with a fuller heart, renewed spirit, and the energy I need to continue serving as your pastor.

This has been a significant season of change for Zwingli. We have said goodbye to Pastor Butch, welcomed Reverend Joslin into the role of Interim Senior Pastor, and begun the important work of discerning who God is calling Zwingli to be in this next chapter and who will help lead that work as your next Senior Pastor.

There has been a great deal for us to carry—personally, pastorally, and together as a congregation. I know that this season

has held grief, uncertainty, frustration, hope, and change, and I know that each of us has experienced it in different ways.

In the midst of all of that, my prayer is that we will continue to extend grace to one another. That we will listen with compassion. That we will give one another room to grieve what has been, while remaining open to what God is doing among us and within us.

While I am away, I hope you will continue the important work that is already underway: grieving the end of one chapter, giving thanks for all that Pastor Butch shared with this congregation, and discerning together who Zwingli is and who Zwingli is called to become. That work belongs to all of us, and I look forward to continuing it with you when I return.

Please know that stepping away for this season does not mean stepping away from my love for Zwingli. I am deeply grateful for the privilege of serving this congregation and for the people who have become such an important part of my life. I carry you with me, and I will be praying for you in the months ahead.

May this be a season of grace—for my family, for me, and for Zwingli. May we trust that God is present not only in the moments when the path ahead is clear, but also in the seasons when we are still discerning the way forward.

With deep gratitude, love, and hope for the future of Zwingli,

Rev. Alan Miles

Engage in Collective Healing by Anneliese A. Singh, PhD — [available here](#)

5 FOR 5 CERTIFICATE

We have received our certificate recognizing Zwingli as a 5 For 5 Congregation for our participation in the mission of the United Church of Christ for 2025. We accomplished this by contributing to Our Church's Wider Mission Basic Support (from the Missioners budget) and your donations to Neighbors in Need, One Great Hour of Sharing, The Christmas Fund, and Strengthen the Church special appeals. This is a long standing tradition for Zwingli.

The Neighbors in Need (NIN) offering is one of the Special Mission Offerings of the United Church of Christ. NIN supports ministries of justice and compassion, with one-third of the offering given to the Council for American Indian Ministries and the remaining two-thirds supporting UCC justice ministries. Envelopes are in the chair racks. We will be collecting for the NIN ministry until October 4.

HOLIDAY SIDE KITS

Keystone Opportunity Center will not be collecting Thanksgiving Food Bags this year. Over the past couple of years their Pantry has transitioned to a choice model. Thus neighbors already have access to those shelf-stable items. To better meet current needs, they surveyed the neighbors and found out that refrigerated ingredients, cooking support, and financial flexibility would make the biggest impact. So starting this year, KOC will be providing Holiday Side Kits assembled by KOC in collaboration with the families that include recipe ingredients, cooking instructions, and fresh items purchased by KOC. In addition, qualifying families will receive \$50 in gift cards so they can purchase the foods that best fit their holiday traditions and needs.

All donations for the Holiday Side Kits must be dropped off at KOC (rear parking lot entrance) by November 20th. In addition, the Missioners will provide a box in the church coat room specifically for kit food items. However, the deadline to leave items at the church is November 15th. The donated items will be delivered weekly. Copies of the food items can be found on the KOC website under Holiday Support, Holiday Side Kits (keystoneopportunity.org/holiday-side-kits/). There will also be copies on the Missioners table.

THE IMPORTANCE OF FULFILLING MEMBERSHIP RESPONSIBILITIES

Being a member of a congregation is both a privilege and a responsibility. Membership signifies more than having our name on a list; it reflects our commitment to God, to one another, and to the mission of the church.

There are **two important responsibilities**, as outlined in our constitution. The **first** is **participating in Holy Communion**. The **second** is supporting the work of the congregation through **faithful financial giving**.

Communion is one of the most sacred practices of the Christian faith. Jesus instructed His followers to remember Him through the sharing of the bread and cup. By participating in Communion, we renew our commitment to Christ, reflect on His sacrifice, and strengthen our fellowship with other believers. **For this reason, members are asked to receive Communion at least annually.** Regular participation demonstrates our continuing connection to Christ and to the congregation. **It is a visible expression of our faith and a reminder of God's grace in our lives.**

The ministry of the church depends upon the faithful support of its members. Through financial contributions, we can maintain our place of worship, support outreach ministries, provide

Christian education, assist those in need, and share the Gospel in our community. **Scripture teaches that giving is an act of worship and gratitude. When members contribute according to their ability, they become active partners in the work God has entrusted to the congregation. Every gift, large or small, helps sustain and expand the ministry of the church.**

Data regarding our active and inactive members is shared with the UCC conferences. **Membership numbers are often used for denominational reporting, pastoral salary requirements, and delegate requirements** for the association, conferences, and national settings. **Accurate numbers are essential as we seek grant approvals and submit grant applications. An accurate list of members makes communication and planning more effective, especially when organizing events or ministries.**

Membership is a covenant relationship. As members, we promise to worship together, pray for one another, participate in the sacraments, and support the church's mission with our time, talents, and resources. Meeting these membership responsibilities helps ensure a healthy, active, and faithful congregation. **We encourage all members to reflect on their commitment and to take part regularly in Communion and financial stewardship as expressions of their faith and devotion in Christ.** Together, we can continue to strengthen our congregation and fulfill the mission God has given us.

MINISTRY OF STEWARDS

CHURCH FINANCIAL STATUS AS OF AUGUST 31, 2026

After a great winter & spring, Zwingli's offerings from June through August have been below budgeted expenses. Our current deficit is -\$24,691. If there have been missed offerings due to vacations, they can be made up with contributions in the following ways:

- through the offering plate
- using this QR code:

- drop off or mail to the church office
- Sign up for electronic giving, so when you are sitting on the beach or at the Eagles game, your offerings will be here. A FAQ document about EFT is on the bulletin stand.

Electronic giving can be done in two different ways:

- Click on the donate now button on our website
- Complete an EFT form from Zwingli's website. The completed form, along with a voided check, is given to Mark Comden, financial secretary, who will set up the electronic withdraw for whatever time you desire.

As we enter the last quarter of 2026, please prayerfully consider increasing your 2026 giving for the remainder of the year to help ensure that we meet expenses. Thank you! Ministry of Stewards.

ELECTRONIC GIVING AT ZWINGLI - FREQUENTLY ASKED QUESTIONS

Electronic giving allows you to make donations online or automatically through a bank account, debit card, or credit card without needing cash or checks.

Why does the church offer electronic giving?

Electronic giving provides a secure, convenient, and consistent way to support the church's ministries and operations throughout the year.

What types of electronic donations are accepted?

You can donate securely at <https://zwingli.org/donate>. Or you can update your EFT information by downloading the EFT form [here](#).

Is electronic giving secure?

Yes. Donations are processed through secure, encrypted payment systems that meet industry security standards.

Can I still give by check or cash?

Absolutely. Electronic giving is optional and simply provides another convenient giving method.

MAKE IT COUNT: JOIN THE SUNDAY OFFERING COUNTING TEAM

Ready to turn numbers into blessings? We're looking for a few volunteers to join our Sunday Offering Counting Team! Healthy Moments Measles Update

Kristie Lowery, Faith Congregational Nurse

*"Bless the LORD, O my soul, and do not forget all his benefits—
who forgives all your iniquity, who heals all your diseases, " Psalm
103:2-3*

Turn on any news station right now, and you will hear reports that there is a measles outbreak in Pennsylvania. There have been four reported deaths, and over 800 people have been diagnosed with measles. The majority of the cases for Pennsylvania have been reported in Lancaster County. If you have not done so already, a review of the measles virus is beneficial so you can be alert to identify when it is occurring. Listed below is a list of facts about measles as presented by the Centers for Disease and Control (CDC).

Measles is a very contagious disease caused by a virus:

- It can be dangerous, especially for babies and young children.
- Measles spreads through the air when a sick person coughs or sneezes.
- The virus can stay in the air for 2 hours after a person with measles leaves the space.
- It is so contagious that about 9 out of 10 people who come near a person with measles will also become infected if not vaccinated.
- The best way to prevent measles is with the measles, mumps, and rubella (MMR) vaccine.
- Anyone who is not vaccinated is at risk of measles infection and severe complications.

Recognizing measles symptoms and getting appropriate medical care is important to help prevent spread of the virus and to prevent severe complications.

Measles symptoms appear 7 to 14 days after contact with the virus. Common measles symptoms include:

- High fever (may spike to more than 104°F)
- Cough
- Runny nose
- Red and/or watery eyes
- Rash (breaks out 3-5 days after symptoms begin)

Measles can cause severe health problems, including:

- Pneumonia
- Swelling of the brain (encephalitis)
- Possibly even death

If someone in your family has measles symptoms:

- Keep them away from family members who are not sick.
- Everyone in the house should stay home to not get your neighbors or people outside of your home sick.
- Call a doctor or hospital right away to let them know someone in your home may be sick with measles. They will give you instructions.

When to go to the emergency room:

If the person who is sick gets rapidly worse, or has any of the symptoms listed below, take them to the emergency department of a hospital immediately. DO NOT WAIT.

- Trouble breathing (or breathing faster than normal)
- Pain when breathing or coughing
- Dehydration (dry nose and mouth, urinating less, crying without making tears)
- Fever or headache that will not stop
- Confusion, decreased alertness, or severe weakness
- Blue color around the mouth, low energy, or difficulty feeding (for young children)

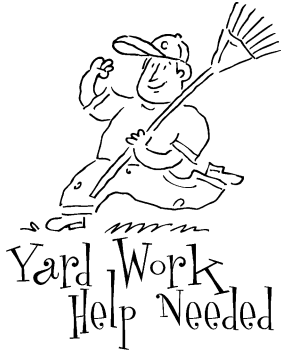

Have someone call before you arrive. Let the hospital know a person who may be sick with measles is coming.

MMR vaccination is the best way to prevent measles and its complications. For those who cannot or prefer not to get vaccinated, risk of measles infection and severe illness during an outbreak is much higher. Recognizing measles and getting appropriate medical care is important to help prevent spread of the virus and to prevent severe complications.

If you want to be part of the Prayer Circle, please let the church office know, and we will send you the link. We will meet for Prayer Circle with Pastor Alan *each Wednesday of the month from 12:00 to 12:30.* We feel that heartfelt communal prayer is especially needed consistently as we continue to deal with individual, family, and church concerns, as well as other societal issues and direction.

DO YOU HAVE A PRAYER REQUEST?

We want you to know that you are not alone, and we would be honored to pray with and for you. To make sharing prayer requests easier, we now have a dedicated email address:
